# INTRODUCTION

## Style meets functionality

**Cartini** came to be in 2003 as an exclusive collection of quality products with a promise to stay by your side for a lifetime. Cartini offers a bouquet of knives, scissors and kitchen accessories for every use and in all sizes.

As always, Cartini's mother brand, **Godrej**, has upped the ante in the manufacture of these products. We are now back with better, functional, stylish, and good-looking products that has finally made life simple. Key product features such as hollow grinding, serration, and orbital riveting along with superior stainless steel having higher composition of carbon and chromium has literally given our products an edge making them sharp, hygienic, rust-resistant, and tough.

Cartini's bouquet of knives and kitchen accessories serve multiple purposes such as for carving vegetables, fruits, trimming meat, skinning poultry or scaling fish, peeling carrots or potatoes and pretty much any other kitchen use. A recent addition is the Professional knife series, created for the Hospitality industry and its specific applications. Indeed, we have a knife for each of your needs.

Cartini is synonymous with creation and art! It goes beyond the kitchen and home-use to make a difference in your lives while you create with these swanky products.

We hope you enjoy using these creating solutions as much as Godrej has felt pride in the making of this range!

An ISO 9001:2008 Certified Organisation

# Customized knives for different applications

Hollow ground blades for greater comfort and effectiveness

High-grade (AISI 420J2), stainless steel blades are hardened (53-55HRC) and precision ground for a sharper long-lasting cutting edge

Specially shaped and serrated blade for greater comfort and effectiveness

No unhygienic gaps between handle and blade

Tough and shock-proof polypropylene handles are hygienic and dishwasher safe & 5 times recyclable

The handles are shaped for maximum comfort during use
