ADVANTIS
REVOLUTION

Side   Back   Front

360° FINGERPRINT REGISTRATION:

This mechanism is so easy to use that no matter how you place your finger in the slot, the machine will recognise your fingerprint and unlock the door.

Created by Godrej Locks, Advantis Revolution stands at the cutting-edge of home safety. Its fingerprint identification capability ensures both easy usage as well as enhanced protection. Sleek, intelligent and very secure, the Advantis Revolution aligns future science for your protection.

Product Code: 4967, 2998

Colour Variant: Black, Gold finish

ADVANTIS REVOLUTION

ACCESS CODE:
Password: 4 to 12 digits for enhanced password strength (register up to 4 user passwords, one OTP and one master password).

RFID CARD:
Register up to 100 cards for multiple user access.

MECHANICAL KEY:
In case of an emergency, the lock can be opened with a mechanical key.

COMPATIBILITY:
The lock is compatible with the remote and video door phone for ease of operation.

ADJUSTABLE SPYCODE:
Random numbers can be added before or after the password in the presence of strangers, thereby maintaining secrecy.

AUTOLOCKING:
Eliminates the hassle of manually locking the door.

PRIVACY FUNCTION:
If the safety button is switched on, the lock can't be opened from outside by either RFID or password or fingerprint access. Only mechanical key override is possible.

ANTI-PRANK ALARM:
An alarm will go off if the wrong password, fingerprint or RFID card is used, 5 times in a row.

EMERGENCY BATTERY:
In case the battery is completely discharged, an external 9V battery can be used to operate the lock.

FIRE SENSOR:
Automatically unlocks the door in case of a fire i.e. when the temperature inside the house rises above 65 degree Celsius.

LOW BATTERY INDICATION:
A beep sound alerts you in advance to replace the battery.

MULTI-LEVEL VOLUME CONTROL:
Adjustable volume with mute function for silent operation.

OTP:
One time Passcode can be generated through mobile, to restrict the access to one-time usage.

Lock can be integrated with remote and VDP through PCB. (these are optional and sold separately)

LET YOUR DOOR SHOWCASE THE MOST ADVANCED SAFETY TECHNOLOGY.

Godrej

ADVANTIS
