RANGE CATALOGUE **2021**

AIR CONDITIONERS

TROPICAL INVERTER ACs WITH GREENEST R290 REFRIGERANT TECHNOLOGY

SUPERFAST COOLING WITH LOWER DERATING: Godrej air conditioners are tested for cooling performance even at high temperatures. Our air conditioners are designed to offer superfast cooling under most conditions and deliver minimal derating even at temperatures as high as 52°C.

ECO-FRIENDLY REFRIGERANTS (R290 & R32): Our entire range of air conditioners use green refrigerants. The R290 range of air conditioners are the greenest and have Zero Ozone Depletion Potential (ODP) and Very Low Global Warming Potential (GWP).

AIR CONDITIONING SINCE 1997

COMPREHENSIVE AIR CONDITIONING PRODUCT RANGE

DEEP FREEZERS

MAXIMUM COOLING MAXIMUM SAVING

PENTACOOL TECHNOLOGY: Godrej deep freezers come with 5-side cooling coils, including the base to provide uniform and faster freezing. The additional PUF insulation at the bottom provides higher cooling retention and a quick pull-down time.

D-COOL TECHNOLOGY: Unlike other brands of deep freezers, Godrej deep freezers come with D-shaped cooling coils which provide higher refrigeration efficiency.

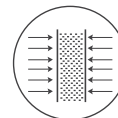

CONVERTIBLE TECHNOLOGY

ANTI-RUST TECHNOLOGY

WHY GODREJ?

REFRIGERATORS

INTELLIGENT FEATURES. INCREDIBLE SPACE.

PATENTED COOL SHOWER TECHNOLOGY: Godrej frost free refrigerators give you the best in cooling through its Patented Cool Shower Technology. The inbuilt air vents under the refrigerator shelves dock into the multi flow duct at the back and shower cool air on the food stored below on the shelves, ensuring uniform and superior all round cooling. The cool shower technology also gives 10% faster door cooling, thus ensuring longer food preservation.

INDIA'S MOST ENERGY EFFICIENT REFRIGERATOR CONSUMING ONLY 104 UNITS : The latest Godrej edge pro refrigerator has 5 star energy rating as per 2020 BEE norms. It consumes only 104 units of power per year, which is the least in India.

SEPARATE VEGGIE DRAWER : Godrej edge duo has a separate drawer for veggies that can be accessed without opening the main door of the fridge. It also has the latest duo flow technology, which gives you best-in-class energy efficiency with minimal cooling loss.

INTELLIGENT INVERTER COMPRESSOR

WHY GODREJ?

WASHING MACHINES

DEEP CLEANSING TECHNOLOGY

ALLERGY PROTECT TECHNOLOGY: The Godrej eon front load Washing machine's allergy protect technology removes 7 common allergens and 4 kinds of bacteria from your clothes as it cleans them.

GERM SHIELD TECHNOLOGY: Godrej eon allure comes with tested and certified germ shield technology that removes 99.99% allergens and bacteria from your clothes with the help of a smart wash algorithm and inbuilt heater that heats water up to 60° C.

460 WATT POWERMAX WASH MOTOR: The 460W PowerMax wash motor gives a thorough cleaning and makes it easy to wash heavy laundry as well as everyday clothes

AIR COOLERS

INDIA'S 1ST AIR COOLER WITH AC INVERTER TECHNOLOGY

AC WALA INVERTER TECHNOLOGY#: Our coolest new feature in Godrej edge air coolers is the smart, copper-wired, microprocessor-enabled BLDC fan motor that provides up to 50% more power saving with its contact-less magnetic movement.

AUTOCOOL TECHNOLOGY: Dual sensors adjust fan speed and pump operation as per the ambient temperature thereby giving efficient operation and lesser power consumption.

QUICK CHILL TECHNOLOGY: The fan runs at maximum speed (turbo mode) for up to a duration of 1 hour before switching back to normal mode, enabling a quick drop in temperature.

CONVERTIBLE FREEZER TECHNOLOGY WITH

Auto Mode

The default mode where the freezer temperature is controlled automatically and intelligently.

Low Load Mode

This mode provides optimal cooling and energy savings for times when you have fewer things to store.

Ice Cream Mode

A special mode to freeze your ice cream perfectly.

High Load Mode

When there is a lot stored in the fridge, this mode can provide great cooling to the main compartment without affecting the freezer temperature.

Deep Freezer Mode

This mode provides frozen food preservation at temperatures as low as -18°C ideal for frozen desserts and peas.

Cold Storage Freezer Mode

This mode provides frozen food preservation at temperatures as low as -25°C ideal for frozen meat.

RATED NO.1 IN SERVICE - 2 YEARS IN A ROW

Godrej SmartCare garnered No. 1 rating in after-sales service - 2 years in a row, in an independent consumer survey in 2018 and 2019. This speaks volumes about the brand's stance and commitment towards delivering service excellence.**

WIDE NETWORK

Pan-India service presence, with over 680 Service centres and 4500 SmartBuddy technicians- Godrej Appliances has one of the widest service networks backed by a robust authorized spare parts dealer network as well.

SERVICE AT YOUR CALL & THROUGH WHATSAPP

To ensure hassle-free service, our customer support Connect Centers remain open 24x7. The support team can be reached on 1800 209 5511 (toll-free) and is equipped to interact with customers in 14 languages. Bringing service at your fingertips, we are available on WhatsApp as well. Our customers can book or track service requests on WhatsApp (9321665511) and get the latest updates and notifications too. Our customers can also book and track service requests on godrejsmartcare.com or mail us at smartcare@godrej.com or stay connected with us through our Godrej SmartCare mobile app which can be downloaded from the playstore. Service visits can be scheduled till up to 9 pm. Service is also available on any day of the week including Sundays.*

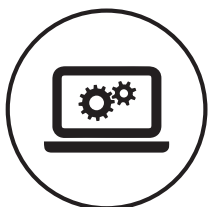

GODREJ SMART MOBILE VANS

In our endeavour towards 1st time right service, over 185 Godrej Smart Mobile Service Vans have been deployed across the country. A first of its kind service initiative in the appliance industry, this mobile van is equipped with spare parts and generators. It offers services like repairing, route maintenance, installation, product demonstration and much more.

COMPLETE SATISFACTION NUMBER

Godrej is the pioneer behind launching CSN (Complete Satisfaction Number), which enables the customer to rate the service offered, through a unique number. This continuous feedback medium helps us to keep improving and delighting our customers.

DISHA (GODREJ VOCATIONAL TRAINING SCHOOLS)

Disha, the Godrej Vocational Training School was founded with the objective of imparting technical training to urban and rural youth, increasing the pool of trained service technicians. Here, one can learn refrigerator and air conditioning servicing skills. This initiative not only helps us serve our customers better but it is also Godrej's way of giving back to the society.
